and lymphoedema care

Training from **Accelerate Academy**

Wound Assessment & Management

Accelerate are
pleased to provide this
training as part of our
Education Programme
in partnership with
Tower Hamlets CCG

Course information

Wound assessment and management

Half day course for registered nurses - maximum of 16 attendees

At Accelerate, education matters to us - a lot. It is an important part of our work. It enables transformations in local services, healing rates and patient experience.

The effective management of complex chronic wounds requires specialist skills, knowledge and understanding. We firmly believe in the importance of education and the sharing of expertise and experience.

This course will cover the following:

- Topical negative pressure (TNP)
- Wound assessment and management
- Assessment using TIMES framework
- Dressing selection for management of differing wound aetiologies

Date

18 March, 2020
