

Community Wound Care Nurse

Summary of Role

Accelerate CIC is a social enterprise operating in the health sector. The organisation has a strong and determined focus on the core mission which is to impact on and make a difference to the lives of those communities we serve, these being those individuals living with wounds and/or lymphoedema.

The role of Community Wound Care Nurse is to contribute to the skilled delivery of wound and lymphoedema in our community services. The role will contribute to the focused delivery of innovative community-based solutions and will provide an excellent and structured development programme. They will be a contributory member of the team, helping advance both the service and the mission. Being a team player and bringing energy is essential.

The Community Wound Care Nurse role may be a springboard into a specialist role either in lower limb, leg ulceration or lymphoedema.

Title: Community Wound Care Nurse – Wound Care

Salary: Salary scale: £32,720 - £39,769

Accountable and responsible to: Clinical Lead: Community Wound Care

Hours: Full-time 37.5 hours per week

Location: Tower Hamlets community, Accelerate Centre of Excellence, and other sites including where specified.

Purpose

The Community Wound Care Nurse will be accountable to the Clinical Lead, supporting the development of a cohesive team. This will enable effective management of team objectives whilst remaining mission focussed.

The post holder will bring a positive 'can do' and solution focussed is fundamental to this role and will underpin the day to day running of the organisation. The post holder will enjoy team work to ensure the key deliverables are completed. Discretion and confidentiality will underpin the role alongside integrity and the ability to manage challenging situations. Being proactive and organised with excellent attention to detail is essential.

Community Wound Care Nurse

The essential outcomes of the role are:

1. Provide skilful care and management to the population, delivered in a thoughtful, creative and timely manner. Being solution focussed and collaborative are key features of this role.
2. Championing delivery of all aspects of the service under direction of the Clinical Lead; this includes the creation of efficiencies and productive working
3. Providing daily management within the leg ulcer clinics and homes across the borough.
4. Encourage individualised care that enables people to tolerate treatments and thereby improve outcomes.
5. Enhance the delivery of Quality improvement initiatives, KPIs and internal audit.
6. Bringing critique to internal and external systems, creating positive change through effective team working.
7. Assist in the delivery of informal education to peers and patients.

Responsibilities and Duties

The post holder will work under the leadership of the Clinical Lead and duties will focus primarily on the lower limb population in

- Tower Hamlets and/or City and Hackney community; mobile and housebound patients
- The Accelerate Centre of Excellence & Innovation

The individual will be expected to display good clinical skills and to work collaboratively and proactively with all teams to meet the needs of clients. This will include being actively involved in carrying out clinical skills as directed in a shared plan of care, enabling clients, their families and carers to be involved in the prevention and management of wounds and lymphoedema in the lower limb.

In choosing to undertake this role the post holder will also be required to undertake other duties which will assist all other staff employed within Accelerate CIC to contribute to the operation of an efficient and effective service for the population served.

Values

To work as a proactive member of a highly motivated and driven team, in a variety of care settings in order to provide nursing care to clients with or at risk of developing wounds and lymphoedema in the lower limb. In taking on this role the individual will be expected to embrace the philosophy and values of the organisation and to reflect this in all that is done, when offering expert advice and management to clients. The aim at all times will be to improve and promote quality of life for the client, encourage self-management and effectively and efficiently disburse NHS resources.

Key Responsibilities

Community Wound Care Nurse

Uphold the Vision and Values of the Company

As an employee of Accelerate CIC you will be expected to understand and espouse the philosophy and values of the organisation and at all times represent the organisation in a positive and professional way.

Communication and Relationships

Effective communication holds the key to good results and the building of trust across the business. Collaborative working is essential. As such you will need to:

- Give due consideration to how you communicate with others ensuring that clear understanding is your goal at all times whatever medium of communication you may be using.
- Build and maintain strong working relationships that partner key stakeholders to achieve mutually agreed goal.
- Maintain confidentiality in regard to team members and clients regarding their privacy and dignity; thus you will need to be sensitive to the individual needs of clients and at all times promote principles of diversity, equity, and personal rights. This includes acting in a non-judgemental way and respecting the choices, culture, values and beliefs of individuals.

Standards to be demonstrated will include:

- Maintaining patient confidentiality at all times
- Displaying professional behaviour at all times
- Respect for others
- Being a team player through collaboration
- Excellent verbal and written communication skills including robust and accurate documentation

Data Collection, Research and Audit

Data collection and audit is an important component of Accelerates work. All members have collection of data and audits within their workplans. This is based on the belief that an understanding of the patient population will be a key asset to all business and clinical areas. As part of this there is an expectation that you will promote the governance of all aspects within audit and data collection.

Governance and Responsibility For Resources

Each member of staff of Accelerate CIC has a personal accountability and responsibility to ensure patient safety at all times, to ensure that care is given in line with plans and direction,

Community Wound Care Nurse

to report incidents, accidents and any adverse events involving clients and to deal with any emergencies appropriately.

Good governance results in satisfied clients and a safe working environment. In line with good governance, you will be expected to record patient information accurately on AIMS and ensure that company guidelines are followed at all times. This includes maintaining the security of patient identifiable data.

You will need to

- Be familiar with and follow Accelerates policies and procedures
- Report any incident using the correct process
- Maintain patient safety at all times

Personal Responsibility Within Development, Health and Safety

You are expected to take ownership for your personal developmental learning needs and for your performance. In line with revalidation this includes keeping a record of your personal development plans and activities and playing a proactive role in your objective setting and appraisal process incorporating reflection.

You should be familiar both with legal issues pertinent to your role and with the changing structures of health care provision that may impact on the position of the company. It is also your responsibility and duty to observe standards of health safety and security which includes adopting appropriate infection control procedures, ensuring work areas are clean safe and free from hazards and reporting any potential risks.

Information Governance

Accelerate CIC adheres to the principles of information governance and data protection. All employees must abide by the UK General Data Protection Regulation (UK GDPR) tailored by the Data Protection Act of 2018. Incorporated within this is confidentiality, records management, information security as well as the Freedom of Information Act 2000. Compliance with these standards is embedded within Accelerate CIC's day to day responsibility and it is expected that all employees will observe and comply with these legal requirements.

Duty of Candour

Accelerate fully endorses the principles of being open and embraces the Duty of Candour. We are committed to an open and fair culture and the overall approach expected within the organisation is one of help and support rather than blame and recrimination. All staff are expected to follow this approach.

Equality, Diversity and Inclusion

Accelerate is committed to creating and sustaining a positive working environment for our team and for our patients. Our aim is to ensure that all our members are equally valued and

Community Wound Care Nurse

that our membership is representative of our society. We believe we all stand to benefit from this diversity of thought, experience, and identity; the actions taken to be an inclusive employer will ensure that our community is well served and that Accelerate is a safe place in which to work and grow. We are clear that we do not tolerate any unacceptable behaviour, discrimination or bullying within the membership or from users of the service. Each of us has our personal responsibility for implementing equality so that all are treated with dignity and respect.

Adult and Child Protection

Accelerate CIC promotes a safeguarding child and adult culture. It will be the responsibility of each staff member to ensure that the risk status of all patients will be assessed for safeguarding issues. Any individual whose welfare is deemed at risk will be referred to the appropriate safeguarding team. All staff will receive the appropriate safeguarding training and required updates to ensure that they are able to identify risk and follow specified guidance.
